**SESSIONAL LECTURER – CUPE Unit 3  
2020 Winter: January 1, 2020 – April 30, 2020**

**WGS 275H1S: Men and Masculinities**

This course draws on transnational scholarship in the social sciences to explore the social construction of men and masculinities in conjunction with analyses of race, class, gender, sexuality, language and citizenship. Masculinities, in its various forms, shape the lives of everyone—men, women, transgender and genderqueer people. This course will examine the construction, reproduction and impact of masculinities on the institutions of education, work, religion, sports, family, medicine, military and the media to name a few. The course will interrogate how masculinities shape individual lives, groups, organizations and social movements with particular attention paid to the ways in which power functions in these cultural formations.
